Company Introduction

Basmat Al Omran Aldhakia Contracting company, stands as a distinguished leader in the construction industry throughout the Kingdom of Saudi Arabia. Established in 2011, Basmat Al Omran Contracting has accumulated a wealth of expertise and knowledge over two decades, making it a trusted partner in the design and construction of projects that serve both the public and private sectors. Our longstanding reputation for quality, innovation, and reliability has cemented our status as a cornerstone of the industry.

Our Legacy and Milestones

Since its founding Basmat Al Omran Contracting has maintained a steadfast commitment to excellence. With a history rooted in the values and standards we have grown alongside the Kingdom's evolving infrastructure needs. Our company has completed numerous landmark projects that have supported the Kingdom's ambitions, aligning with Vision 2030 and its initiatives for economic and infrastructural development. Over the years, we have built a reputation for successfully delivering complex and large-scale projects, from government buildings to private sector facilities.

Company Overview

We are a dynamic company committed to ensuring first class services to our clients. We have registered our mark by executing successfully various prestigious projects in diverse domains, such as Industrial, Oil & Gas, Commercial and Retail, Residential Development, Education & Campus, Healthcare & Medical, Hospitality & Resort and Roads & Civil Work projects.

We are proud to have been trusted by many reputable clients and partners domestically and regionally. Our commitment to outstanding job completion, excellent customer service and unequalled safety performance has made us a partner of choice in the construction industry.

شركة بصمة العمران
Basmat Alomran Co.

Sultan Matar Al-Otaibi Chairman

Mr. Sultan Matar Al-Otaibi serves as the **Chairman**, bringing with him a vision of leadership, growth, and excellence. With his strategic foresight and deep commitment to organizational success, he has been instrumental in guiding the company towards sustainable development and long-term achievements.

As Chairman, Mr. Al-Otaibi ensures:

- **Vision & Strategy:** Setting the long-term direction and ensuring the company's strategies are aligned with growth and innovation.
- **Leadership & Governance:** Providing strong governance, oversight, and decision-making that safeguard the interests of stakeholders.
- **Business Growth:** Driving expansion opportunities, partnerships, and collaborations at local, regional, and international levels.
- **Corporate Values:** Upholding principles of integrity, responsibility, and excellence in every aspect of the company's operations.
- **Innovation & Development:** Encouraging forward-thinking approaches that keep the company at the forefront of its industry.

Under his chairmanship, the organization continues to thrive, maintaining a balance between **business excellence and social responsibility**, ensuring steady progress and a strong reputation in the market.

Khursheed Alam General Manager

Mr. Khursheed has over 20 years of rich professional experience in Saudi Arabia and India, serving in key leadership and management roles. His expertise spans **engineering, operations & maintenance, project management, planning, and control**, across diverse industries and large-scale projects. As a **General Manager**, he is recognized for his ability to deliver projects successfully through strong leadership, strategic planning, and hands-on management. He has consistently demonstrated excellence in:

- Driving organizational growth through effective resource allocation and operational efficiency.
- Managing multidisciplinary teams with a focus on collaboration, innovation, and performance.
- Overseeing end-to-end project lifecycles, from planning and execution to quality assurance and client satisfaction.
- Implementing cost-control measures, risk management strategies, and process improvements to achieve sustainable results.

He is responsible for ensuring overall performance, meeting project milestones, and maintaining the highest standards of quality and safety. With a forward-thinking approach, Mr. Khursheed continues to strengthen business development, stakeholder relations, and operational excellence in every role he undertakes.

- Makes recommendations to the team on significant matters affecting Construction Authority operations and policies
- Oversees the development and implementation of short range and long-range goals and business plans
- Directs and manages staff to efficiently and effectively implement the policies and direction of the Board of Directors
- Provides leadership for the region's mobility agenda and coordinates regionally significant projects and programs by working collaboratively with regional partners Oversees Construction Authority's planning efforts, including identifying major priorities, establishing goals and strategies that ensure the success

Mohammad Wasi
Business Development Manager

Mr. Mohammad Wasi brings over 15 years of extensive experience in **Business Development, Sales, and Strategic Growth Management** across diverse industries. Throughout his career, he has played a pivotal role in identifying new opportunities, building strong client relationships, and driving sustainable revenue growth.

As a **Business Development Manager**, he has successfully:

- Developed and executed business strategies that expanded market share and increased profitability.
- Built long-term partnerships with clients, stakeholders, and industry leaders through trust, negotiation skills, and consistent delivery.
- Identified emerging markets, trends, and customer needs, converting them into actionable growth opportunities.
- Led high-performing sales and marketing teams to achieve ambitious targets, ensuring alignment with organizational goals.
- Represented companies at major industry events, fostering brand visibility and establishing networks that translated into long-term business growth.
- Implemented innovative approaches to tendering, bidding, and securing large-scale contracts in competitive markets.

Known for his **entrepreneurial mindset, negotiation expertise, and result-driven approach**, Mr. Wasi is committed to delivering measurable outcomes while maintaining the highest standards of professionalism and integrity. His vision and leadership continue to make a significant impact in every organization he serves.

Eng. Salah Mohamed Construction Manager

Eng. Salah Mohamed Hesham brings over **15 years of professional experience** in the **construction industry**, specializing in **structural works, project execution, and site management**. With a proven track record of delivering complex projects on time and within budget, he is recognized for his technical expertise, leadership skills, and commitment to quality. In his current role, Mr. Pervez is responsible for:

Project Planning & Coordination: Ensuring all structural activities are effectively planned, scheduled, and coordinated with other functional managers to achieve seamless project execution.

Resource Management: Leading the mobilization and control of manpower, equipment, materials, and tools, in close cooperation with the Project Manager, to sustain efficiency and productivity throughout the project lifecycle.

Team Leadership: Supervising and guiding site personnel and subcontractors, fostering collaboration, safety, and accountability to meet project objectives.

Quality Assurance & Compliance: Inspecting ongoing work to verify full compliance with **QA/QC specifications, standards, and regulatory requirements**.

Progress Monitoring: Continuously tracking project progress, identifying risks, and implementing corrective measures to maintain schedule and performance targets Through his **dedication, technical acumen, and leadership**, Mr. Pervez ensures that structural works are executed to the highest standards of **safety, quality, and efficiency**, contributing to the overall success and timely completion of projects.

Eng. Arfat Hussain MEP Manager

Eng. Arfat Hussain brings with him more than **20 years of professional experience** across **Saudi Arabia, UAE, and India**, specializing in **Mechanical, Electrical, and Plumbing (MEP) Engineering**. Throughout his distinguished career, he has served as an **MEP Manager** for leading international and local firms, contributing to the successful delivery of high-profile projects across multiple sectors In his leadership role, Eng. Adil has been entrusted with:

- **Technical Leadership:** Providing expert technical direction to support critical business decisions and ensure the effective execution of complex projects.
- **Project Management:** Overseeing end-to-end MEP activities, ensuring that engineering, procurement, and construction objectives are met within budget and timelines.
- **Systems & Reporting:** Developing structured systems for reporting, monitoring, and resolving technical issues to maintain project quality and compliance.
- **Policy & Compliance:** Reviewing and aligning company policies, procedures, and engineering standards with international best practices.
- **Strategic Communication:** Acting as the **key bridge between the Board of Directors and the project management team**, ensuring clear communication and alignment on all engineering, procurement, and construction related matters.
- **Quality & Efficiency:** Implementing innovative approaches to optimize resources, reduce risks, and ensure technical excellence across all project phases.

Known for his **strategic vision, problem-solving ability, and dedication to quality**, Eng. Mohammad Abdul Adil continues to play a vital role in delivering world-class projects while driving organizational growth and operational excellence.

Saudi Aramco E-Reference No. 0016321

Registration Approval Letter

January 15, 2026

Attention : **BASMAT ALOMRAN ALDHAKIAH COMPANY FOR CONTRACTING**

CR Number : 1010983235
Supplier Type: Service Provider Only
Country : Saudi Arabia

We are pleased to inform you that BASMAT ALOMRAN ALDHAKIAH COMPANY FOR CONTRACTING is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10118057, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Abdalahdi Shahadh Alshammari, Supervisor
Supplier Registration Unit
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com

Why Choose Us?

Established Expertise: Backed by Basmat Al Omran's legacy, we bring more than 20 years of knowledge to every project.

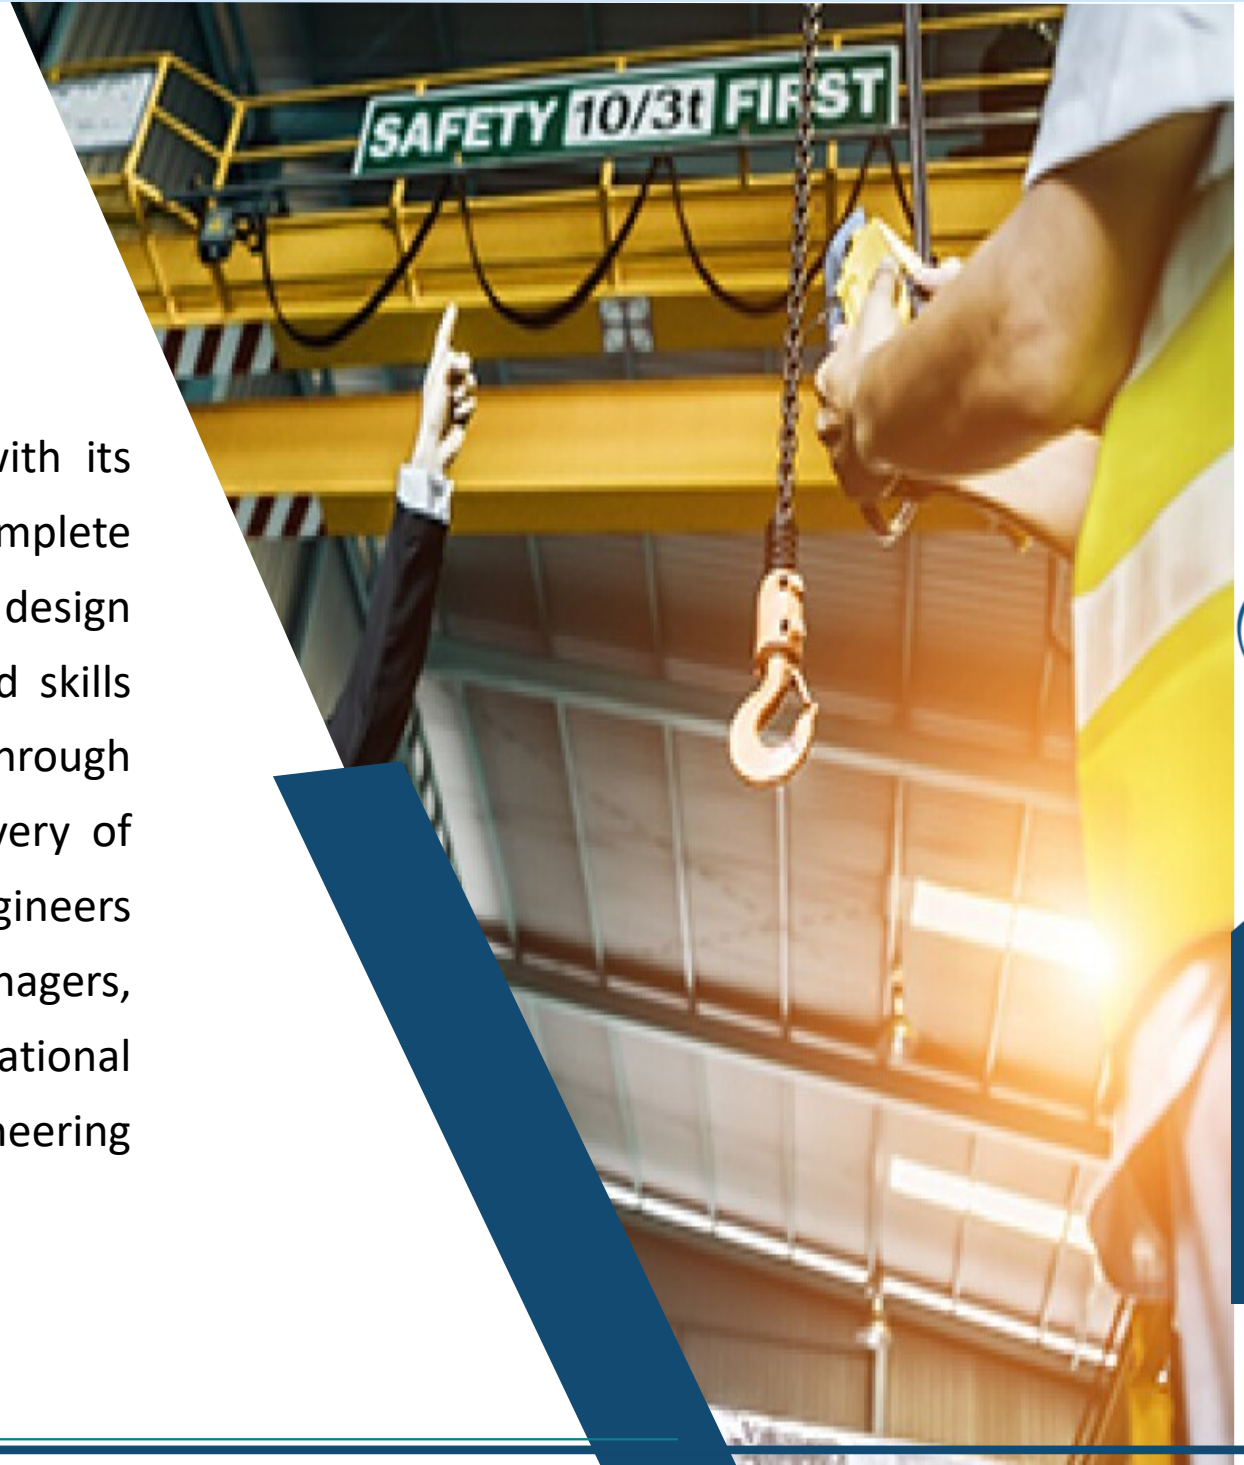

Innovation in Design: Our approach combines modern techniques with sustainable practices to create structures that are functional, aesthetic, and environmentally conscious.

Dedicated Project Management: We prioritize timely delivery, budget adherence, and thorough quality control.

Client-Centered Approach: We prioritize timely delivery, budget adherence, and thorough quality control.

Safety

Team Basmat Al Omran its success with its multidisciplinary expertise in the complete process of tertiary and industrial facility design and contracting. Our team's specialized skills are manifested from design review through project management to the final delivery of turnkey projects. Most of our senior engineers and staff have acted as project managers, both in-house and for various international customers interfacing with other engineering firms and contractors.

Our Core Values

Our work is guided by core principles that reflect our commitment to our clients, our employees, and the communities we serve:

Integrity: We conduct every project with honesty and transparency, building trust with our clients through clear communication and dependable service.

Quality: Excellence is at the heart of everything we do. We adhere to the highest standards of construction, delivering durable and reliable structures.

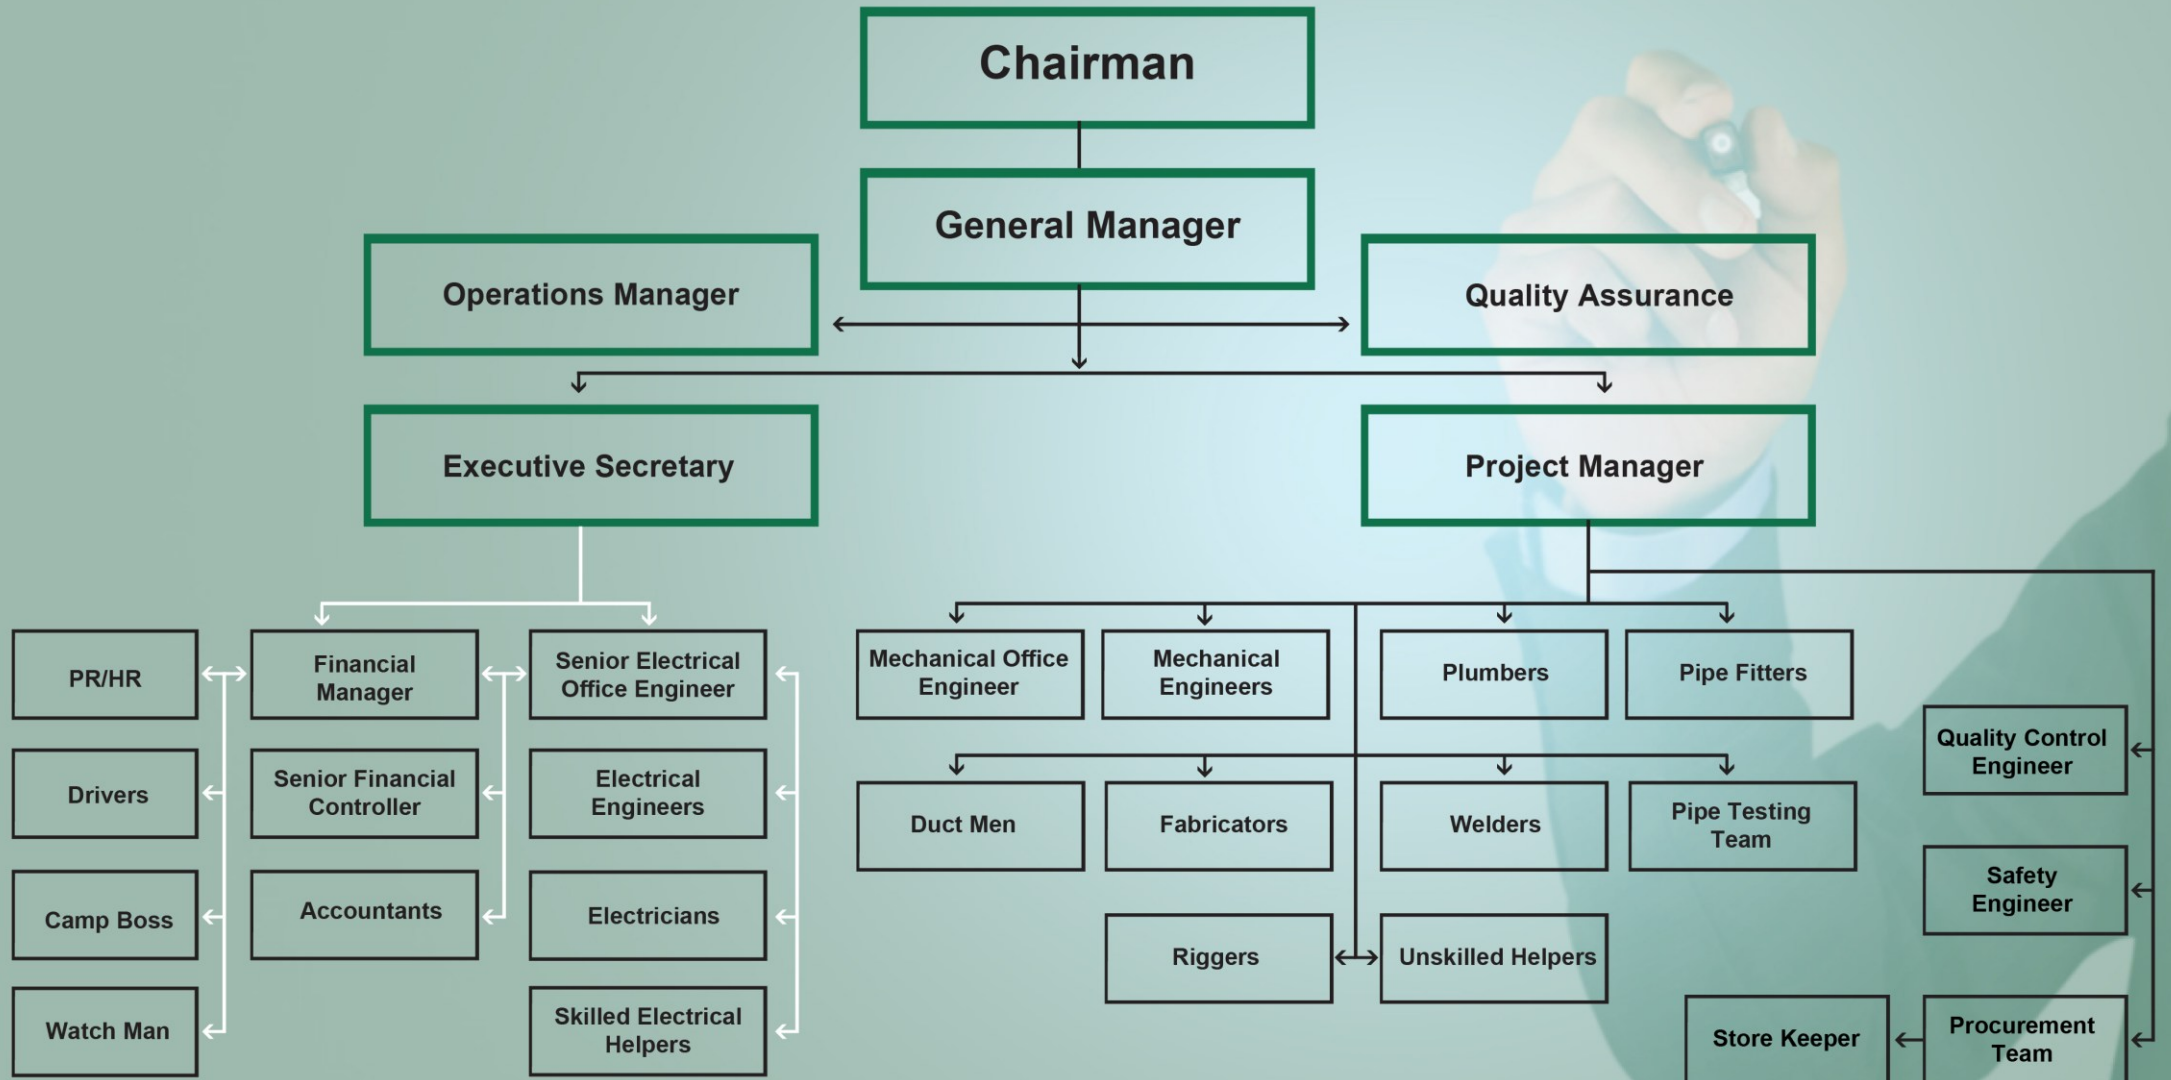

Human Capital: We believe in our team. Our most valuable asset is our team. We cherish a learning culture and nurture the potential of our employees.

Innovation: Embracing the latest technologies and methods, we continuously refine our approach to create efficient, sustainable, and modern solutions.

Safety: We prioritize the safety of our teams, clients, and end-users, implementing rigorous safety protocols and adhering to all regulatory requirements.
